

The Year End Gift That Keeps on Giving

Year end provides a perfect time to ensure your "house" is in order. It's also a wonderful time to reflect on the many blessings of God in the previous year. Many Christians use this time to put together a Giving Plan that ensures they've met their whole tithe for the present year and to prepare for the coming year.

Although some find it is difficult to decide on which charities and ministries should be the recipients of year-end giving they prudently decide to make the gift now in order to remove the money from their current accounts and to benefit from the donation receipt in the present year.

*Why not make the gift to the Canadian National Christian Foundation (CNCF) by taking a few minutes to establish a family **Giving Fund** or a **Legacy Fund**? You have the benefit of receiving the donation receipt immediately and time to prayerfully consider when and how much should go to the charities of your choice.*

- **The Giving Fund** – allows you to make immediate distributions to charities (within a 1-2 year window) with the added benefit of the immediate donation receipt.
- **The Legacy Fund** – allows you to make additional contributions to your fund over time and watch the account grow, while making regular 3-5% distributions from it to charities of your choice each year. The donation receipts are issued every time you contribute.

Give us a call if establishing a gift that keeps on giving sounds appealing to you. We would be pleased to provide more information and lead you through the process of wise giving for you and your family.
